2023-2024 WITHDRAWAL FORM (WAU/W)

DEADLINES Fall 2023 courses: December 12, 2023 | Spring 2024 & Full-year courses: May 1, 2024

The Withdrawal Form allows a student to withdraw from a UConn ECE course after the October 20 enrollment deadline by selecting one of the two grade designations below. A student must obtain all required signatures to withdraw. This form can only be used during the academic year of the registered course and must be submitted by the posted deadlines. A student cannot withdraw from a course after the posted deadlines. If a student does not submit a completed Withdrawal Form by the posted deadline, the instructor will calculate the student's grade according to the grading scheme applied to all students in the course, averaging zeros for all work not submitted.

Students seeking a withdrawal designation are still fiscally responsible for all fees related to their UConn ECE course regardless of selected grade designation.

The WAU (Withdrawal Audit) and W (Withdrawal) designations are listed under non-calculable grades on the University transcript key and will not affect a student's grade point average. **Select one grade designation below.**
