

UConn

EARLY COLLEGE
EXPERIENCE

UConn ECE and AP

Know Your Options...

UConn ECE

- ▶ University of Connecticut courses offered in your high school.
- ▶ UConn course grades are based on demonstrated content mastery throughout the course.
- ▶ Students earn a letter grade and credit on an official UConn transcript.
- ▶ UConn ECE offers 91 unique courses from 37 academic disciplines.
- ▶ UConn courses cost \$50 per credit, a 90% savings over the same course on campus.
- ▶ UConn credits earned through UConn ECE transfer to other colleges and universities 87% of the time!

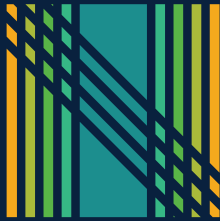

Advanced Placement

- ▶ College-level coursework offered through College Board.
- ▶ Content mastery is measured by a single standardized assessment or portfolio submission.
- ▶ Students must earn a passing score of 3-5 to potentially be eligible for college credit.
- ▶ AP offers 38 subject area tests in 7 subject categories.
- ▶ AP exams cost between \$97-\$145 per exam.
- ▶ College board does not publicly release the acceptance rates of AP exams.

Many high schools offer both UConn ECE and AP for the same course. We encourage students to speak with their school counseling office to maximize their opportunities to begin earning college credits now. Use the QR code to learn more about UConn ECE and Advanced Placement.
