

Growing

UConn ECE

Thinking about expanding your UConn ECE course offerings? Here are 5 key steps to remember:

Step 1
SUMMER/FALL

EVALUATE COURSE OFFERINGS

District and building leadership identify areas and disciplines where UConn course offerings align with the district vision and goals.

Step 2
FALL

IDENTIFY POTENTIAL INSTRUCTORS

District and building leadership identify existing faculty who may meet UConn ECE's discipline specific certification standards to support future course offering needs.

Step 3
FALL/WINTER

INSTRUCTOR APPLICATION

New Instructor candidates apply for certification between November and January. UConn academic department review for determination of final ECE certification approval.

Step 4
WINTER

PREPARE FOR NEW COURSE(S)

Program of Studies are updated and newly certified Instructors attend New Instructor Orientation.

Step 5
WINTER/SPRING

MARKET AND RECRUIT

Students are notified of, and recruited for, course offerings for the upcoming school year. All courses should be finalized prior to the start of Student Registration in uconn.dualenroll.com (August).
