## 2025-2026 Withdrawal Form (WAU/W)

DEADLINES	Fall 2025 courses: December 12, 2025	Spring 2026 & Full-year courses: May 1, 2026
-----------	--------------------------------------	--

The Withdrawal Form allows a student to withdraw from a UConn ECE course after the October 16 enrollment deadline by selecting one of the two grade designations below. A student must obtain all required signatures to withdraw. This form can only be used during the academic year of the registered course and must be submitted by the posted deadlines. A student cannot withdraw from a course after the posted deadlines. If a student does not submit a completed Withdrawal Form by the posted deadline, the instructor will calculate the student's grade according to the grading scheme applied to all students in the course, averaging zeros for all work not submitted.

Students seeking a withdrawal designation are still fiscally responsible for all fees related to their UConn ECE course regardless of selected grade designation.
